Tribal TRAC

An AmericanChecked Inc. product.

BUILT BY THE INDUSTRY. FOR THE INDUSTRY.
TO PROTECT THE INDUSTRY.

TribalTRAC is an industry **GAME CHANGER**. It is the only paperless solution on the market specifically built for Tribal gaming commissions to electronically verify employment and licensing history of employees and vendors.
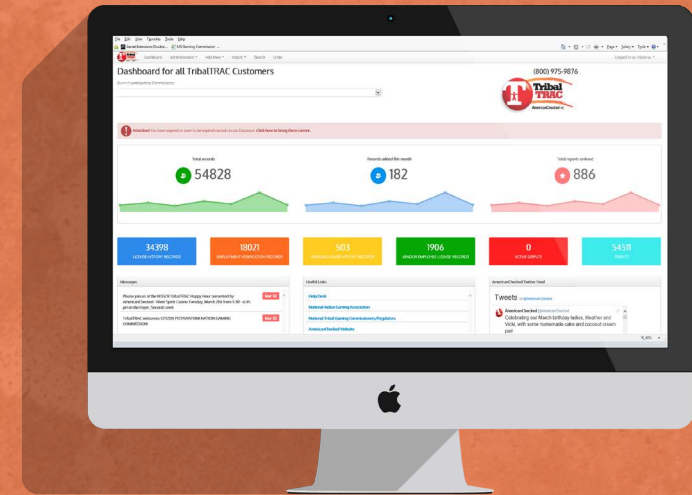

TribalTRAC fulfills NIGC requirements without time-consuming and unsecure scanning or faxing. Everything you need is right at your fingertips.

- License History Records
- Employment History Records
- Vendor License Records
- Individual Vendor Records

No start up costs. No annual fees. Earn credits with record storage.

YOUR WORK DAY WITH MAXIMUM EFFICIENCY.

HOW IT WORKS

STEP 1: STORE RECORDS
Members enter license and employment records into TribalTRAC's secure database. For every record entered, a TRAC Credit is earned.

STEP 2: ORDER RECORDS
Place an order for a report by filing out the information in the required fields.

STEP 3: RECEIVE REPORTS
Reports are returned same day. No hit, no charge!

STEP 4: REVIEW WITH CONFIDENCE
A standardized, comprehensive and compliant report will show a detailed record of an **applicant's license status, if it has ever been denied or revoked, and terms of separation.**
