From gaming, to childcare, to governments and everywhere in between, the Watson Mini is an all-in-one compact fingerprinting solution. Paired with AmericanChecked's background screening services, we are your one-stop-shop for all your screening needs.

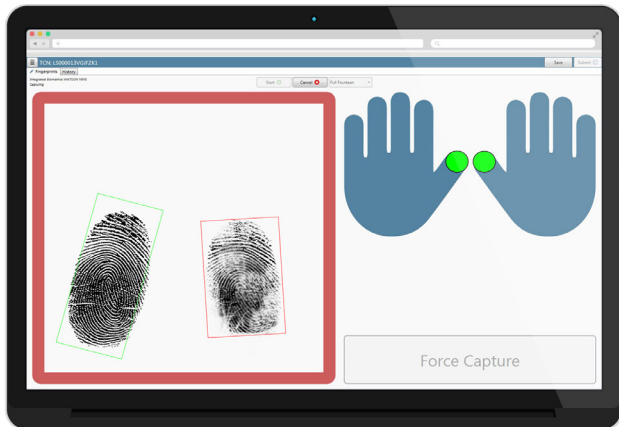

THE WATSON MINI DIFFERENCE

For industries required to conduct fingerprinting as part of the screening and onboarding process, the hassle of sending applicants to various locations is now a thing of the past.

- Compact - Small Footprint with a Big Impact
- Mobile - Perfect for Career Fairs
- Most Cost-effective Fingerprinting Setup on the Market
- Superior Customer Service
- Multi-print Capturing Capability
- Responsive Technical Support
- Easy to Use with Less Than 1% Rejection Rate

In Short, it Blows the Competition Out of the Water.

Fingerprints are channeled directly to the FBI and reports are returned within 24 hours. We are also an approved vendor to submit live scans to the National Indian Gaming Commission.
