<b>VERIFICATION OF ALL HITS</b>	

*\*The Association Package provided is only a recommendation, not a mandatory search. AmericanChecked's team of professionals will work with association members to develop a package that meets their specific needs.*

## ADDITIONAL RECOMMENDATIONS

### Applicant Direct

Applicant Direct is a simple solution for busy HR professionals to send their applicants a link to place their own screening order with AmericanChecked.

### Drug Screening

From DOT compliance to custom drug screening programs, our drug and alcohol screening services are comprehensive and national in scope. Our team of drug screening professionals will work with each client to build a program that suits their specific needs, regulations and requirements.

### Social Media Report

Social media is a great way to find out more about your candidates, but conducting in-house searches can be risky business and can potentially violate the FCRA. Our Social Media Report is the ONLY FCRA-approved report on the market that includes only permissible information, so you don't end up in hot water.

## GETTING STARTED

Signing up for the for the Affinity Program is easy. Contact AmericanChecked at [info@americanchecked.com](mailto:info@americanchecked.com) to request an application and sample contract. We carefully evaluate each application to provide the most benefit to our partners and ensure there is no competitive overlap.

Once approved, AmericanChecked will put together a custom marketing package that you can share with your stakeholders and membership. As members of your association join and begin ordering, AmericanChecked will calculate what is owed every quarter and issue a check to your organization.

## THE AMERICANCHECKED DIFFERENCE

Not all background checks are created equal and neither are background screening companies. AmericanChecked is a nationally accredited company that has been in business 15+ years. Our founders were pioneers of the screening industry and have more than 100 years of industry experience.

We have put forth - and passed - legislation that changed how employers in the state of Nevada can screen applicants, making hiring and organizations safer.

From multi-national corporations to government agencies to small community non-profits, we work with organizations of all sizes and unique or complex screening needs. AmericanChecked is built to innovate quickly and precisely, delivering solutions with agility.
